Product Data Sheet

Evacusafe Excel

Evacuation Chair

The Evacusafe Excel is incredibly strong with a working load weight of **227Kg**.

Its tracks create friction when on the stair's edge which acts as a brake to slow the decent allowing for **a smooth controlled operation**.

Features

- Simple 2-step setup for easy deployment
- Rubberised handle for secure operator grip
- Full length back support with head cushion for passenger comfort
- 3-point adjustable harness for additional safety
- Flat, open seat for easy and flexible access
- Permanent 4 wheels for optimum manoeuvrability
- Integrated arm and leg rests for comfort and support
- Rear wheel brake when chair is stationary
- Velcro strap if additional passenger support is required
- Folds flat for wall mounting

Included with the Excel Chair

- Protective dust cover
- Wall mounting hooks
- Luminescent wall sign
- Operator Guide
