Product Data Sheet

Evacusafe Standard
Evacuslider

A simple, cost-effective evacuation option in areas that are space-restricted and stairways that are tight and narrow. Its thick foam mattress with a super-smooth underside is suitable for moving persons who need to be transported horizontally.

Features

- Integrated foot-pocket and 2 x passenger securing straps
- Lightweight, sturdy construction which is extremely portable and easy to use
- Made with long-lasting and durable materials
- 4cm padded mattress provides effective protection
- A smooth hard-wearing, heavy duty base which aids movement across floors

Included with the Standard Evacuaslider

- Operator guide
- Protective bag
- Wall mounting hooks
